

Child Care Scholarships for Essential Workers

NYS is offering child care scholarships for the full cost of child care for income eligible essential workers. For more information about eligibility and how to apply, [click here](#).

(Please note that the Council is not managing this program. Everything must go through the [OCFS portal](#).)

We're Hiring!

Join our team during this exciting time of growth. Current positions available for Registered Dietician, Business Specialist and Infant Toddler Mental Health Consultants. [Click here](#) for more details.

Attention Child Care Providers!

Please make sure to update your contact information with our Resource & Referral Department. We want to make sure to give parents the correct information in order to make accurate referrals. **Contact our office at 631-213-7772 to update your information.**

Scholarships for the Child Care Workforce

Would you like to earn a credential, certificate, 2-year or 4-year degree? The Early Childhood Workforce Scholarship is available to help current child care employees further their education. [Click here](#) for more information.
