Productos de limpieza, jabon,
mascaras, guantes y toallas de mano.

**Jueves, 21 de Mayo 4pm –
6:30pm**

Oficina de Child Care Council
60 Calvert Avenue, Commack

Please RSVP so we can have enough packages prepared.

All providers that are currently open and need supplies can pick up at this time. Each provider will receive a package with masks, gloves, bleach, hand soap, toilet paper and paper towels.

CACFP (Food Program) Now Accepting New Applications

We are now able to enroll new providers in CACFP (food program). If you are interested in signing up with CACFP we can conduct your initial visits via zoom or facetime.

Please note that in order to do this you **MUST** be able to do the visit virtually (zoom, google meet, etc) and you **must** be able submit your claims through the online system (Kid Kare).

If you are interested in enrolling in the food program, contact [Christina Flythe](mailto:cflythe@childcaresuffolk.org) (cflythe@childcaresuffolk.org) for next steps.

The CARES Child Care Scholarship has been extended to May 31, 2020. Parents who have already been approved do not need to reapply.

For more information about the scholarship please [click here](#).

Training & Technical Assistance

Information about COVID-19 is constantly evolving. We can provide support to help you adapt your policies and practices to comply with state and federal guidance.

Contact us with questions. New virtual training and support opportunities will be announced soon!

Be sure to follow our [new Facebook page](#) and our [Instagram](#) for updates and helpful information.

Remember to check [our website](#) for updated resources and information about COVID-19 and related information.
